

MISSION DIRECTOR

Airtask Group (ATG), working in partnership with PAL Aerospace, are currently seeking applications for 2 full-time Mission Directors on the Dash 8 – 100 to 300 series aircraft.

The successful candidate will be responsible for maintaining a tactical picture, in-flight planning, communications and data transfer and direction of all aircraft sensors to detect and identify sea, air and land contacts, as well as recording all information acquired during a surveillance mission.

The role, based at Lydd Airport, forms a key part of delivering a critical year-round 24/7 service.

It is **essential** that prospective candidates have the following qualifications and experience:

- Knowledge of airborne tactical navigation
- Mission Command experience and/or TACCO experience
- A minimum of 5 year's experience as an airborne UK military surveillance operator (fixed wing, UAS or rotary). Applicants that possess the equivalent civil experience will also be considered
- Experience operating airborne mission systems
- Experience operating radio and satellite communication systems
- Medically fit for flight duties
- Medically fit for Underwater Egress Training
- Right to live and work in the UK

The following are highly desirable though not essential:

- Military experience
- Experience as crewmember on Bombardier Dash-8 aircraft or similar type
- Experience with AIMS ISR

Candidates should possess excellent inter-personal skills and be team orientated with a strong work ethic.

Please refer to our Company website for further information and to view our Job Applicant Privacy Notice www.airtask.com

If you meet the above criteria and are interested in undertaking a new challenge, please submit your CV and covering letter, ensuring you include current salary details to:
