

Multi Engine Piston Pilot

Airtask Group provides bespoke mission-based aviation solutions to Government and Commercial customers.

We are currently looking to recruit an experienced MEP pilot to operate a BN2 Islander Aircraft, single crew, on our scheduled VFR routes and charter and scenic flights from various locations throughout Scotland.

It is essential that prospective candidates have the following qualifications and experience:

- a valid UK FCL CPL(A)
- a valid MEP rating
- current IR with PBN endorsement
- current medical
- a minimum of 1500 total hours
- a minimum of 500 hours Multi Engine (Piston)

The ideal candidate will be current on the BN2 aircraft (or similar type) and possess excellent interpersonal skills and be team orientated with a strong work ethic.

Please refer to our Company website for further information and to view our Job Applicant Privacy Notice www.airtask.com

If you meet with the criteria above and are seeking a new challenge, please apply in writing with your CV, copy Licence including details of MEP recency and salary expectations to:

Mrs D. O'Neill – Head of HR
