

## Maintenance Controller

Airtask Group provides bespoke mission-based aviation solutions to Government and Commercial customers.

We currently have a requirement for a full time Maintenance Controller within our engineering department assisting with the operation of both lifeline flights for communities in the west and north of Scotland and our Maritime Surveillance patrols based out of Inverness.

This is a great opportunity for an individual that wants to be an integral part of a small and friendly team. The position requires a dedicated and self-motivated individual who is able to work under their own initiative, together with the flexibility and ability to work to strict deadlines.

Airtask Group currently operate a BAe 146-301, F406 Caravan II's and BN Islanders on specialist contracts.

This is a **hybrid role** however regular visits to our Head Office in Milton Keynes will be required. From time to time, there will also be a requirement to travel between our operational bases and maintenance providers within the UK and potentially overseas.

### Key responsibilities are:

- Scheduled maintenance planning, liaise with contracted maintenance organisations and operations. Generating/reviewing work packages and holding/attending pre-input meetings
- Planning the rectification of defects, liaise with contracted maintenance organisations and operations. This includes Acceptable Deferred Defects and their rectification intervals
- Technical follow up with Part-145 and OEMs
- Report occurrences, mandatory or not, to CAA, internal, (sub-) contracted organisations and OEMs, as per regulations and company procedures
- Feedback to Continuing Airworthiness Manager
- Liaison with suppliers
- Creating/reviewing work packages
- Reviewing and filing sector record pages

### It is essential that prospective candidates have the following qualifications, skills and experience:

- Aviation technical background
- Experience in scheduled maintenance within constraints of operations
- General knowledge of Part-145 and Part-M/CAMO Regulations

Please refer to our Company website for further information and to view our Job Applicant Privacy Notice [www.airtask.com](http://www.airtask.com)

If you meet with the criteria above and are seeking new challenges, please apply in writing with your CV.

### **Mrs D. O'Neill – Head of HR**
